

Sir Bernard Lovell School

Physical Education Department

Ready to Learn in PE

The following rules will now apply after Easter – the week beginning 16th April 2018. Students will have this information discussed with them during the first week back at the very start of their P.E lessons and via tutors/Heads of House.

1. Any student who arrives to a P.E lesson without kit must report to their P.E teacher. The expectation will be that this student borrows P.E kit provided by the department. In the event that this is refused the member of P.E staff will send this student to the isolation room for defiance (refusal to follow a reasonable request as per the behaviour policy). This will also be logged as a serious incident.

2. If a student arrives to a P.E lesson with an injury (that is not obvious) and no note they will be expected to borrow kit and to be involved in a different role/capacity (appropriate to the injury claimed). In the event that this is refused the member of P.E staff will send this student to the isolation room for defiance (refusal to follow a reasonable request as per the behaviour policy). This will also be logged as a serious incident.

*** Please note that staff may contact home to confirm any un-noted injuries and/or conditions.**
