

English Summer Reading Project!

During the summer holiday, we would like you to complete the following challenges!

Challenge One.

Write a 250 – 500 word piece of writing inspired by one of your favourite books. It could even be based on a book that you're planning to read in the summer holiday!

Suggested activities:

1. Create an alternative ending to the story
2. Write a letter to the author of the book
3. Add a 'missing chapter' to the story
4. Write a newspaper report of a key event in the story
5. Design your own written activity!

Challenge Two.

Take a photograph of the book you've written about in an interesting or unusual place.

Don't worry about photographing yourself – just point the camera at the book and its interesting surroundings.
