

French Homework Challenge

At home over the summer you are going to make a project about France. Research the different themes below and present what you find out in your piece of work. Put a tick by each task when you have completed it to help you to stay organised.

Ideas...

Geography of France

Where is it? Can you find a map?

What countries / seas surround it?

What are the main cities and rivers?

Paris

Where is Paris?

What is there to see and do in Paris?

What is Paris famous for?

Food and Drink

What are typical French foods?

Can you find some pictures or recipes to add to your project?

French Festivals

Describe what happens in France at Christmas and New Year or Easter

What do people eat and drink/do?

What can you find out about other festivals e.g. Bastille Day?

Famous French people

Can you find the name of a famous, **living** French person - perhaps an actor, a football player or a politician?

Can you find out some information about him/ her?

French language

Can you make a page to include some key words and phrases in French?
