Good attendance and engagement in these sessions will provide your child with an excellent opportunity to impact positively on their progress and final outcomes at the end of Year 11. Significant numbers of Year 11 students utilised the after-school revision opportunities last year and many were rewarded with very positive progress outcomes. We trust you will support your child to attend these sessions in order for them to be able to maximise every opportunity to improve their final outcomes in all of their subjects.

Please do not hesitate to contact me if you would like to discuss any aspect of our Revision Programme in more detail.

Yours faithfully

Ms K Deady
