Students are not required to attend in their school uniform and should bring a packed lunch and drinks.

If a subject is offered in the morning and afternoon, students can attend the morning **and/or** the afternoon session, or sign up for a different subject session in the morning or afternoon, to maximise their revision opportunities across subjects.

Please complete and return the permission slip by **Friday 29 March**, in order to confirm you have given your permission for your child to attend. Please ensure permission slips are returned to tutors as opposed to subject teachers in order for us to be able to track attendance across the programme.

The May holiday will provide another opportunity for us to provide a holiday revision programme, and for students to revise closer to final examinations scheduled in June. I will write to you again during Term 5 outlining our final revision programme for the May holiday.

Thank you in anticipation of your support in encouraging your child to maximise their grade potential across their subjects by attending these sessions.

Yours faithfully,

Ms K Deady
Vice Principal
