

25th October, 2019

Dear Parent/Carer

Year 11 After School Revision Programme - Term 2

I am writing to share our After School Revision Programme, commencing on Tuesday, 5th November, 2019. The programme is commencing in Term 2 as our teachers are keen to support their students in preparation for the November Pre Public Examinations (PPEs/mocks).

Revision and coursework intervention sessions will run from 3.15-4.00* as outlined in the table below:

	Revision Route A	Revision & Coursework Route B
Monday	Humanities: Geography History Religious Studies	Computer Science Health & Social Care
Tuesday	Science	Business Studies
Wednesday	English	Art PE Product Design
Thursday	Maths Engineering 3.15-4.15 14/11/19 and 21/11/19 only, in preparation for an exam on 28/11/19	Art Product Design
Friday	MFL	Performance Skills

**students will be notified of any changes to timings in advance of the session*

If a student has been identified as a revision priority for any subjects included in Revision Route A, they will be expected to attend these sessions. If a student has not been identified as a revision priority for any subjects listed in Revision Route A, they will be expected to attend sessions running on the same day, included in Revision Route B, if it is a subject they are studying and it has been identified as a priority.

Please highlight the relevant revision opportunities in the table as this will enable you to support and encourage your child to attend these sessions.

Good attendance and engagement in these sessions will provide your child with an excellent opportunity to impact positively on their progress and final outcomes at the end of Year 11. Significant numbers of Year 11 students utilised the after-school revision opportunities last year and many were rewarded with very positive progress outcomes. Our Parent/Carer Evening on Thursday, 16th January, 2020, will provide us with an opportunity to advise you of the revision priorities for your child following scrutiny of the most current progress data and predicted grades. We will also use this as an opportunity to outline our Holiday Revision Programmes.

We trust you will support your child to attend these sessions in order for them to be able to maximise every opportunity to improve their final outcomes in all of their subjects.

Please do not hesitate to contact me if you would like to discuss any aspect of our Revision Programme in more detail.

Yours faithfully,

Ms K Deady
Vice Principal
