Dear Parent/Carer,

Year 11 After School Revision Programme - Term 3

I am writing to share our After School Revision Programme, commencing on Monday 21 January 2019. This follows our analysis of the November Pre Public Examinations (PPEs/mocks).

Revision and coursework intervention sessions will run from 3.15-4.00* as outlined in the table below:

	Revision Route A	Revision & Coursework Route B
Monday	Humanities: Geography History Religious Studies	Computer Science Health & Social Care
Tuesday	Science	Business Studies Textiles
Wednesday	English	Art PE VCert Food and Cookery VCert Craft (Product Design)
Thursday	Maths	Art VCert Craft (Product Design)
Friday	MFL	

**students will be notified of any changes to timings in advance of the session*

If a student has been identified as a revision priority for any subjects included in Revision Route A, they will be expected to attend these sessions. If a student has not been identified as a revision priority for any subjects listed in Revision Route A, they will be expected to attend sessions running on the same day, included in Revision Route B, if it is a subject they are studying and it has been identified as a priority.

During your appointment, the subject teacher will advise if your child has been identified as a revision priority in their subject. Please highlight the revision priorities in the table as this will enable you to support and encourage your child to attend these sessions.

Good attendance and engagement in these sessions will provide your child with an excellent opportunity to impact positively on their progress and final outcomes at the end of Year 11. We will write to you again towards the end of Term 3 to outline the revised programme for Term 4 and the priorities for your child, following scrutiny of the most current progress data and predicted grades. We will also use this as an opportunity to outline our Holiday Revision Programme.

We trust you will support your child to attend these sessions in order for them to be able to maximise every opportunity to improve their final outcomes in all of their subjects.

Please do not hesitate to contact me if you would like to discuss any aspect of our Revision Programme in more detail.

Yours faithfully

Ms K Deady
Vice Principal
