This year’s Mental Health Awareness Week theme is “kindness”. This is a week where we can celebrate acts of kindness we have experienced during this difficult time and appreciate how kindness strengthens relationships and is the foundation of our mental health.

Mental health is part of our overall health. It’s about: how we feel, think, and behave; how we cope with the ups and downs of everyday life; how we feel about ourselves and our life; how we see ourselves and our future; how stress affects us; how we deal with negative things that happen in our life; our self-esteem or confidence.

It’s ok to have bad days, it’s natural, and on these difficult days Kooth.com is there to help!
