WELCOME

Welcome to Sir Bernard Lovell Academy where we provide a high quality educational experience to ensure that all our young people are happy, successful, enthusiastic and enjoy meeting the challenges that we set for them.

As Principal, I am extremely proud of the achievements of our students and the progress made in the last two years with significant improvements in examination results.

We strive for all our students to become innovative and independent thinkers with the resilience to be successful in life, working closely with families to achieve this.

Students are encouraged to take responsibility for their learning in a disciplined and supportive environment. We recognise that each and every student has distinctive needs and talents and we will nurture them so they can pursue their ambitions beyond the curriculum boundaries.

OUR CURRICULUM

Here at SBL, we offer a broad and balanced curriculum to inspire and support students in their progression to Post-16 education and their chosen career path. Students have five, one-hour lessons per day and we operate a two-week timetable.

We seek to build the spiritual, moral, cultural, social, intellectual and physical development of our students alongside a range of valuable qualifications selected to meet the needs and interests of our learners.

We offer the opportunities, responsibilities and engaging experiences required to support our vision to prepare all of our students for adult life as a citizen in modern Britain.

GCSE RESULTS 2019

In 2019, SBL secured outstanding improvements in the measures used to judge school progress.

- English 4+: 81%, English 5+: 58%, Maths 4+: 80%, Maths 5+: 50%
- Basics (English and Maths) at grade 4+: 73%
- Basics (English and Maths) at grade 5+: 40%
- Five passes including English and Maths: 66%

There was also a significant improvement in students achieving the highest grades of 7-9 and in results across all subject areas.

School Attendance: Improvements in 2018/19 see SBL Academy as the most improved school in the South Gloucestershire area. We value and promote good attendance and our attendance rate is now well above the national average.

Uniform: Our students wear a smart and professional uniform that sets the tone for our expectations and aspirations for them.

SBL is growing in popularity and is now oversubscribed in Year 7. Numbers attending our Post-16 provision have doubled this year as a result of the improved GCSE outcomes.
